2019 Board of Directors Candidate Statements

Wendy Regier

As fiber artist, teacher, grant writer and designer of programs for non profits I bring an enthusiastic and creative "out of the box" approach to my work which includes: the development of a weaving program and teaching weaving at Black River Academy Museum; instructor, Board Member and summer director at Fletcher Farm Craft School; original leadership team member and past President of Fiber Arts in Vermont (Six Loose Ladies); member of the Vermont State Craft Center Re-Designation Committee; program designer and coordinator of Windsor County Reads; and most recently, the Cavendish Tapestry Project. In addition, I have served on a number of non profit and town boards. I welcome the challenge to help Okemo Valley TV move forward as they settle into this new and beautiful space.
